'Latin Nights' is not a single artist tribute but a Latin-themed show covering the genre.

Initially, we require

2 x male singer/dancers

2 x female singer/dancers

They would need to be able to cover both lead and backing vocals (Spanish would be an advantage) as well as dancing a range of Latin American styles. Being able to handle percussion (basic stuff like claves, maracas, cow bells, whistles) would also be an advantage.

We can be flexible in terms of who does what. These singing lead vocals will, obviously, need to have stage presence and be able to engage the audience. In terms of age, We are also flexible and happy to consider older singer/dancers as long as they will have the stamina to perform all night; 2 x 45/60 minute sets with a short interval.

Timings are as follows:

Auditions – May/June

Rehearsals – July/Aug

Soft Launch (smaller venues) – Autumn/Winter 2025

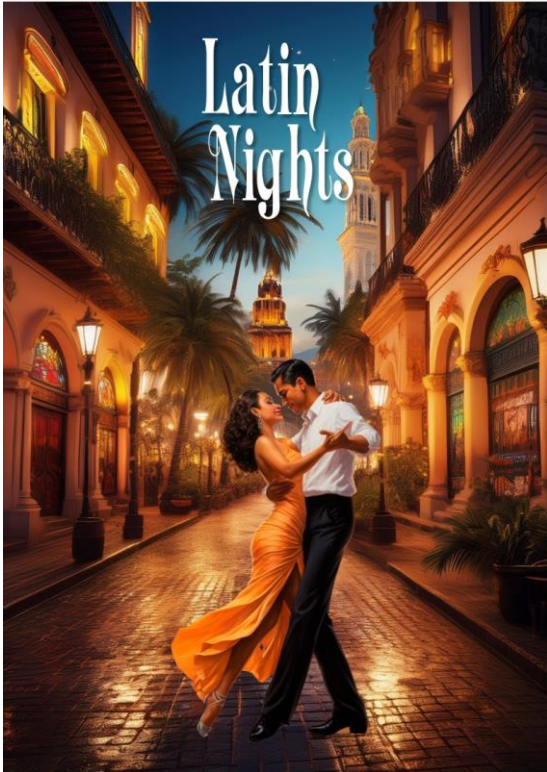

Major Launch (larger venues) – Charter Hall 10th April 2026

The band/show will be based in the south Suffolk/north Essex/east Cambs area and the initial shows will also be in this area. As with our other productions, transport and accommodation will be provided for shows that fall over 2 hours outside of the designated HQ site. Whilst I am happy to look at people from outside this catchment area, it should be borne in mind that the aim of the show is to rapidly scale up to national and potentially international venues. Therefore, an ability to join the tour bus easily would be an advantage.

We are also looking for a specialist percussionist.
